TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The Jenolan Caves are situated about 90 miles from Sydney and are justly considered one of the wonders of the world. They were discovered by Mr. James Whalan in 1838, during a search after a bushranger, Mc Keown, who was hiding there from justice. The caves are lighted by electricity and annually attract many visitors from all parts of the world.

(For Address Only.)
